

Safety and fire

Your safety is very important to us, therefore we have placed fire extinguishers and water posts all over the campsite (see sitemap red dots). According to fire regulations, you must park your caravan, tent etc. no closer than 3 meters from neighbor's unit. See www.hedebocamping.dk/en/

Take care

Smoking in public indoor areas is not allowed. Please remember to use ashtrays and waste bins outside. Your dog is welcome, but do not leave it alone to bark and disturb your neighbors. Take care of the children, drive carefully and max 15 km/h.

Close to town and yet in nature

Our campsite is on the beach a short stroll from idyllic Sæby and with the wild nature of North Jutland in our backyard. You can bike, hike or do a day trip to Skagen, Frederikshavn and Aalborg with their cafés and shops. See www.hedebocamping.dk/en/what-to-do/

Out- and indoors activities

Play tennis, football, adventure golf. Visit our water park with heated pools, our 3 playgrounds, the cozy rooms with TV or Denmark's largest motorcycle museum. Celebrate e.g. your birthday or wedding in our Panoramic Hall with the beautiful view. Ask in the Information.

Café and supermarket close to you

Hedebo Super has been run by Lone and Keld J for 30 years with a wide range of necessary groceries for campers. For instance breakfast bread without prior ordering. Lone M serves you in our café, where you can eat or order takeaway at P +4529772909.

Keep it neat and clean

We clean our 4 service buildings with toilet, bath, family room and kitchen twice a day. Let us know if anything is not as it should be and get our service team's help if you have any problems with your caravan or site. Call Information on phone +4598461449

Long term stay in North Jutland

Hedebo Strand Camping is very popular among long stay campers, and we are happy about that. Would you also like a long stay site here, you should contact Eric in good time ahead of the season. See prices and sites available at www.hedebocamping.dk/en/long-stay/

Some practical information

Check out from your site no later than 12 noon and from your cabin no later than 11am. Often you may stay longer than that (for free), if the unit or cabin is not re-rented. You can purchase cleaning of your cabin and rent bed linen. Ask us in the Information.
